From: Paul

Subject: Sexy Sofia

Your *Hot Housewives* issues are always amazing, but blonde bombshell Sofia Lane is a true standout. Her body is sick! She looks incredible in lingerie and even sexier wearing nothing at all.

From: J.P

Subject: Gorgeous girl next door

Ashley Nicole has beautiful blue eyes, perfect teeth and a fabulous smile that accentuates her amazing body with perfect proportions. What a wonderful girl next door. If she lived next to me I would never leave the neighborhood!

From: Jim

Subject: Sexy when wet

The new *Wet & Wild* issue was truly unforgettable! Cover girl Lexi Ray's wet and sexy elegance, Shanda Michelle's sudsy loveliness and Kelli Jo Eriksen's (below) lubed-up nude beauty definitely made this issue a mouth-watering experience. Continued appearances by these bathing beauties would definitely be appreciated.

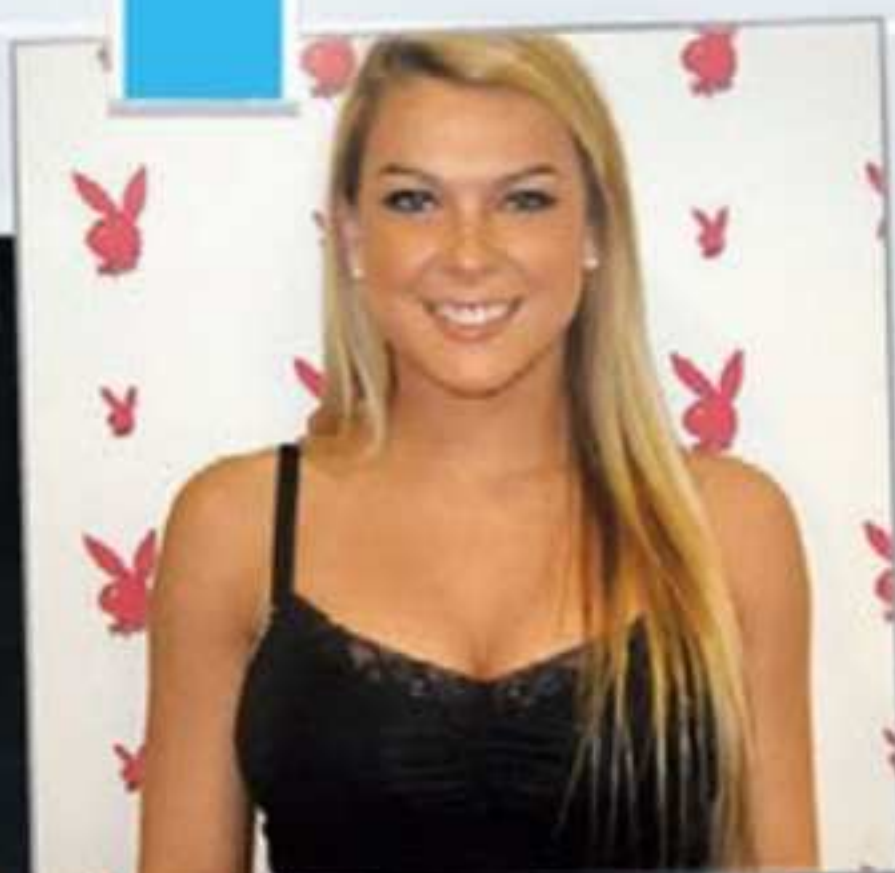

Cover Girl Profile

Taylor Stone

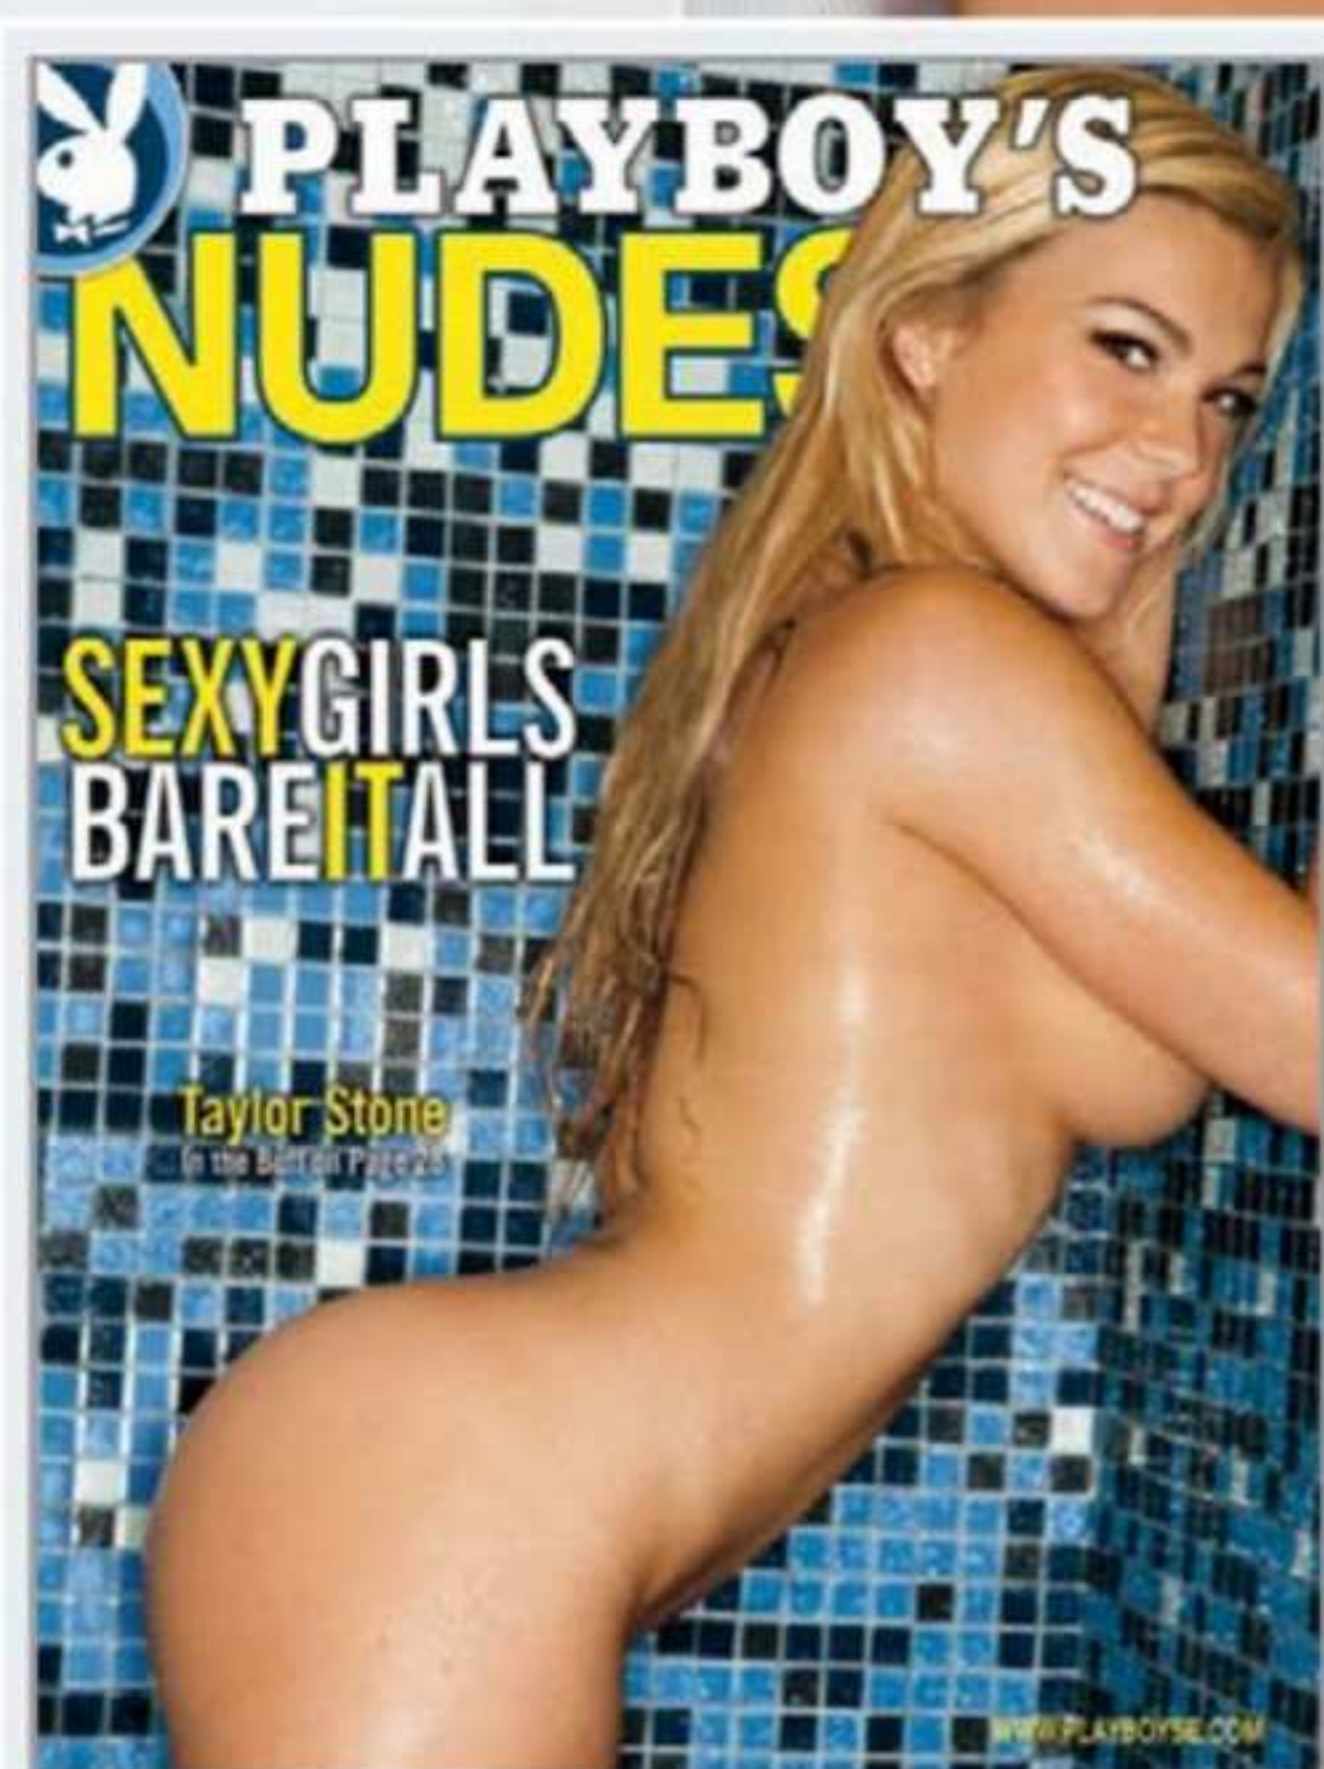

Taylor was discovered at Playboy's Atlanta Casting Call

On a whim last year, high school graduate Taylor Stone and her best friend went to Playboy's Atlanta Casting Call. Taylor had never done any nude modeling before, but as a free spirit who was comfortable with her body, she decided "why not?" While she admits taking her top off for the first time in front of a photographer was a little "nerve wracking," she flashed her smile and nailed her poses during the audition. As it turns out, Taylor was a natural and within weeks she was featured as one of the top girls from Atlanta in the Cyber Club and shortly thereafter, she was flown to Chicago for her very first Playboy photo shoot. Fast

forward to January 2011 where Taylor was a freshman at Mississippi State and a member of the cheerleading squad when word leaked that she had posed for Playboy. Needless to say, Taylor's affiliation with Playboy rubbed some people down south the wrong way, and all parties involved decided it was best that Taylor remove herself from the squad. So for now, Taylor has put college on hold, but she's kept busy doing interviews, appearances and is currently filming a reality TV pilot called *Girl Swagg*. The cameras document Taylor and three other girls as they travel the world to experience new cultures, religion and nightlife, as well as carry out some charitable missions. We have a feeling this won't be the last you hear of Taylor, but to keep up with this rising star you can follow her on Twitter @TaylorCorley927.

Taylor appeared on the cover of Playboy's Nudes in the fall of 2010
